

Feedback Mechanism

Our college has implemented a well structured feedback mechanism whereby we collect the feedback from students, parents, employees, employer, and alumni. This helps the college to improve the performance and strengthen the quality of education. The college provides the necessary arrangements for feedback responses from all the stakeholders. The ultimate aim of stakeholder's feedback is to get useful insights for the purpose of improvement in all aspects of teaching, learning, assessment and capacity.

Feedback from Students:

The student feedback is very important to strengthen the quality of teaching learning environment. Students' Feedback is a web-based survey done to gauge overall student satisfaction with their quality of education, quality of campus facilities, availability of resources, student-faculty interaction and their perceptions on sustainability and infrastructure, personality development and ethical standard amongst students. It also assesses students' overall level of satisfaction with their experiences at our college.

Feedback from Parents:

Parents form an important part of stakeholders. A 'PTA' meeting is organized once in every year to discuss the issues related to various aspects. The data collected from the parents are analyzed and the necessary rectifications are done.

Feedback from Alumni:

The institution believes that the contribution of alumni is essential particularly in the development of the academic related activities. Our college maintains a strong and healthy association with the alumnus. Alumni Feedback is collected during the Alumni meetings.

Feedback from Employees:

Feedback is collected from the employees of our institution once in every year. Faculty Feedback is aimed to measure the level of faculty satisfaction with working conditions, professional development, and type of responsibility undertaken by them. The summary of the feedback from the faculty is received through online web-based survey. The data collected is thoroughly analyzed and the necessary steps are taken. Feedback from the non-teaching staff members and support staff is done to measure the level of job satisfaction with different aspects of their job at our college. The respondents are asked to give comments on a few selected questions. These suggestions have been analyzed and the necessary steps are taken.

Feedback from Employer:
