25. LIST OF APPENDICES

This should list all appendices in the project.

26. LIST OF ABBREVIATIONS USED

This should contain a list of abbreviations that have been used extensively in the Project.

27. SYNOPSIS

A summary of the project should be given at the beginning, covering the study. Its length should be a guide to the project.

28. AIMS & OBJECTIVES

This should set out clearly and precisely what the student is seeking to achieve. The objectives should be stated in such a way that the student is able to measure to what extent the objectives have been fulfilled.

29. CHAPTER 1 Introduction

This chapter introduces the topic of the project.

30. CHAPTER 2 Literature Review

A summary of relevant literature on the study being investigated or done. The literature review will vary in depth and intensity dependent upon the topic. All sources of information must be acknowledged. An index system to keep a record of material consulted, noting appropriate information should be maintained.

31. CHAPTER 3 Observations Findings or Data analysis & Discussions

This is the main body of the project report. All the findings and observations made should be supported by tables, graphs or statistics, pictures etc., as appropriate.

32. CONCLUSIONS

This chapter deals with a summary and recommendation stating briefly what has been done.

33. BIBLIOGRAPHY

This section lists all references in alphabetical order of Author's surnames. The Harvard system which incorporates the following elements should be used.

Book References:  
AUTHORS SURNAME, INITIALS, (year of publication), Title in bold, place of publication, publishers name, pages  
Journal References:  
AUTHORS SURNAME, INITIALS, (year of publication), Name of the article, Journal title in bold, volume number, issue number, page number  
Sourcing within the text:

29. ATTACHMENTS  
 Separate appendices are to be used for sets of detailed information that are not appropriate to the main text e.g. questionnaires, sample populations, list of organisations or gross data.

**PRESENTATION & FORMAT**

All students are required to submit two hard copies of their project to the college by the date of payment. The original copy is to be submitted to the University through the college and the second copy is to be retained by the college.

- 1. Paper: A4 sized paper must be used and should be white and of good quality
- Type: Project must be printed neatly using an acceptable word processing format
- Layout: The margin at the left hand edge should be no less than 40mm and other margins no less than 20mm. Type should be at least 1 1/2 spaced except for intended quotations or footnotes, which should be single line spaced. Typing should be on one side of the paper only
- 2. Binding: The book should be bound in Black rexene only. There should be no illustrations on the cover page
- Cover Title: The outside front cover must bear the title of the work in Block capitals (24 point) with the name of the student and name of the college
- 3. Spine Title: This must bear the surname and the initials of the author and the year of admission in the same lettering as the front cover. The lettering must read from left to right when reading the spine vertically.

**SCHEME OF EVALUATION - PROJECT IN AREA OF SPECIALISATION**

Total Marks: 300  
 Internals: 60 marks to be marked by guide  
 (Project Evaluation Sheet - Internal Assessment is as per Form I)  
 University: 240 marks  
 1. Project Evaluation - 140 marks (as per form II)  
 2. Viva-Voce - 100 marks  
 (The questions to be asked from the Project Report given)  
 Valuated by both guide and external examiner
