Moti Mahal college of Hotel Management, Mangalore established in 1992, is a premier Institute to educate and impart knowledge in the profession of Hospitality Management.

The Institute has been striving persistently in the field of technical education by understanding the need for Upliftment of youth in highly competitive, technologically elevated society and understanding the thirst for knowledge of students and satisfying it. Since the inception of the Institute, we have tried to combine the academic excellence with the inner enfoldment of students' personality.

The Institute provides practical oriented education along with developing qualities of creativity and leadership in the students. At MMCHM, we promise an atmosphere for all students to acquire the skills which empower them to command respect and recognition in industry and community at large.

Maintaining Discipline is what is the prime responsibility of an Institute. Discipline cannot be cultivated by education rather by training. We inject discipline in our faculty, staff and students to help them leading a life with full responsibility towards it.

Teachers at the Institute and parents at home are equal stake holders in holistic education and we both need to be partners in this learning process of your ward. Our endeavour is to teach each one of our students to redefine success – not by the absence of failures in life – but by overcoming them.

Besides academics, we also encourage students to participate in various sports as well as cultural activities and many of our students have brought laurels to the institution. The trophies of youth festivals, Badminton, Table Tennis, etc. won by MMCHM, bear a testimony to this fact.

The institute has been marching on with focus on exploring and creating new avenues for young aspirants through collaborations with industries of repute.
